

Planning your stay in Brighton

Brighton is full of fantastic places to stay. If you'll be staying frequently, it's worth asking about block booking deals—many larger chains offer discounts for weekday stays or off-season bookings.

Check out this list based on top-rated, good-value options located close to the Jing Institute. Prices shown are starting estimates based on our local research and may vary.

Top tip: Be sure to mention you're training with Jing when you book—some places offer exclusive discounts for our students!
